Deseada

Author	Enric Jardí
Creation	1995
Version	2 (2007)
1 style	Regular
Character Sets	Basic Latin Latin-1 Supplement
License Types	Desktop, Webfont, ePub, App, Server

Deseada is a blurred roman face with a small x-height –actually a modified Caslon– that fits perfectly into retro environments. Use it as a parody, it's just a sort of Catalan custom. Perfect companion of Verdaguera, twin souls! Natural childs!

Lorem ipsum is a pseudo-Latin text used in web design, typography, layout, and printing in place of English to emphasise design elements over content. It's also called placeholder (or filler) text. It's a convenient tool for mock-ups. It helps to outline the visual elements of a document or presentation, eg typography, font, or layout. Lorem ipsum is mostly a part of a Latin text by the classical author and philosopher Cicero. Its words and letters have been changed by addition or removal, so to deliberately render its content nonsensical; it's not genuine, correct, or comprehensible Latin anymore. While lorem ipsum's

Open Type formats allows to include an expanded character set and layout features, to provide advanced typographic control and better linguistic support such as ligatures, alternates characters and contextual substitutions.
Open Type fonts work in all applications but only some take profit of the features.

OT supports Unicode which enables the fonts to contain more than 65,000 glyphs, while PostScript area limited to a maximum of only 256 characters.
Open Type fonts work in all platforms and operative systems, having one single file for Mac and PC makes sharing files much more easier.
